

Serial No. 10/529,873
Atty. Docket No.: P68228US1

REMARKS

The Office Action of April 2, 2008, has been received and carefully reviewed.

In the Office Action, the Examiner issued a Notice of Non-Compliant Amendment. The Notice indicated that the claims presented in Applicants' Response of February 7, 2008, did not contain proper claim status identifiers for some of the claims. Applicants' Representative contacted the Examiner by telephone on April 16, 2008 to clarify the status identifier issue.

Applicants have amended the status identifiers to indicate which claims were withdrawn due to Applicants' election of the claims 1-10, 13, 16-27 and 32-34 in Group I, without traverse. Applicants note that the present claims having the status identifier of "original" are those which entered the U.S. under §371, from the priority PCT application No. PCT/DK03/000654, as amended on December 17, 2004 under Article 34. The remaining pending claims were initially amended in Applicants' Preliminary Amendment, filed concurrently with the application on April 1, 2005.

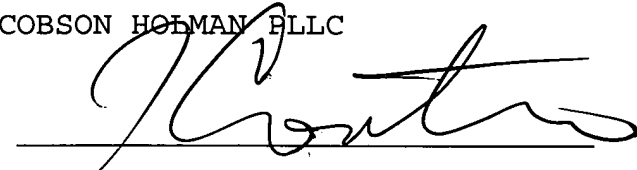

Applicants believe the pending claims now have the correct status identifiers and are in condition for examination on the merits and allowance. If the Examiner has any questions regarding this response, the Examiner is invited to telephone Applicants' counsel at the number provided below.
